Lambert

"I am extremely honored to have been elected by my peers for this role," said Lanny Lambert. "Serving our profession has been a priority throughout my career, and I am honored to continue these efforts in a role that will influence bar leadership across the country."

At Turner Padgett, Lambert serves clients in business transactions, including commercial real estate matters,

contractual agreements and financing.

The national conference was founded in 1950 to provide information and training to local and state Bar association leaders. Current members include Bar leaders from 53 states and territories.
